

MEMBERSHIP OF OXFORDSHIRE MENTAL HEALTH MATTERS

We were set up in 1992 as a partnership between local voluntary and statutory organisations, to help bridge the gap between mental health services and the people who use them. We now run four types of service, which are described overleaf.

It has always been important for our services to reflect the needs of the community we try to serve. One way for people to have a say is through membership. Members vote on important decisions at our Annual General Meeting, and elect the Board of Trustees, which meets monthly to oversee the work of paid staff and volunteers. All Trustees must be Members.

There are two main types of Member - individuals and organisations. All Members are sent Annual Reports and Newsletters to keep them informed of what's going on, and invited to important meetings. If you would like to support us by becoming a Member, please fill in the form on the right.
